Compiled by FRANCES B. McMILLEN  
 (MRS. FRANK O.)  
 Governor General of  
 The Sons & Daughters of the Pilgrims  
 1953-1956

1. The first part of the report deals with the general situation of the country and the progress of the work during the year. It is divided into two main sections: the first section deals with the general situation of the country and the progress of the work during the year, and the second section deals with the specific results of the work.

2. The second part of the report deals with the specific results of the work. It is divided into three main sections: the first section deals with the results of the work in the field of agriculture, the second section deals with the results of the work in the field of industry, and the third section deals with the results of the work in the field of commerce.

3. The third part of the report deals with the financial results of the work. It is divided into two main sections: the first section deals with the income of the organization, and the second section deals with the expenditure of the organization.

4. The fourth part of the report deals with the administrative results of the work. It is divided into two main sections: the first section deals with the organization of the work, and the second section deals with the management of the work.

5. The fifth part of the report deals with the social results of the work. It is divided into two main sections: the first section deals with the social work of the organization, and the second section deals with the social work of the members of the organization.

6. The sixth part of the report deals with the future plans of the organization. It is divided into two main sections: the first section deals with the general plans of the organization, and the second section deals with the specific plans of the organization.

7. The seventh part of the report deals with the conclusions of the work. It is divided into two main sections: the first section deals with the general conclusions of the work, and the second section deals with the specific conclusions of the work.

8. The eighth part of the report deals with the recommendations of the work. It is divided into two main sections: the first section deals with the general recommendations of the work, and the second section deals with the specific recommendations of the work.

9. The ninth part of the report deals with the appendixes of the work. It is divided into two main sections: the first section deals with the general appendixes of the work, and the second section deals with the specific appendixes of the work.

10. The tenth part of the report deals with the index of the work. It is divided into two main sections: the first section deals with the general index of the work, and the second section deals with the specific index of the work.

11. The eleventh part of the report deals with the bibliography of the work. It is divided into two main sections: the first section deals with the general bibliography of the work, and the second section deals with the specific bibliography of the work.

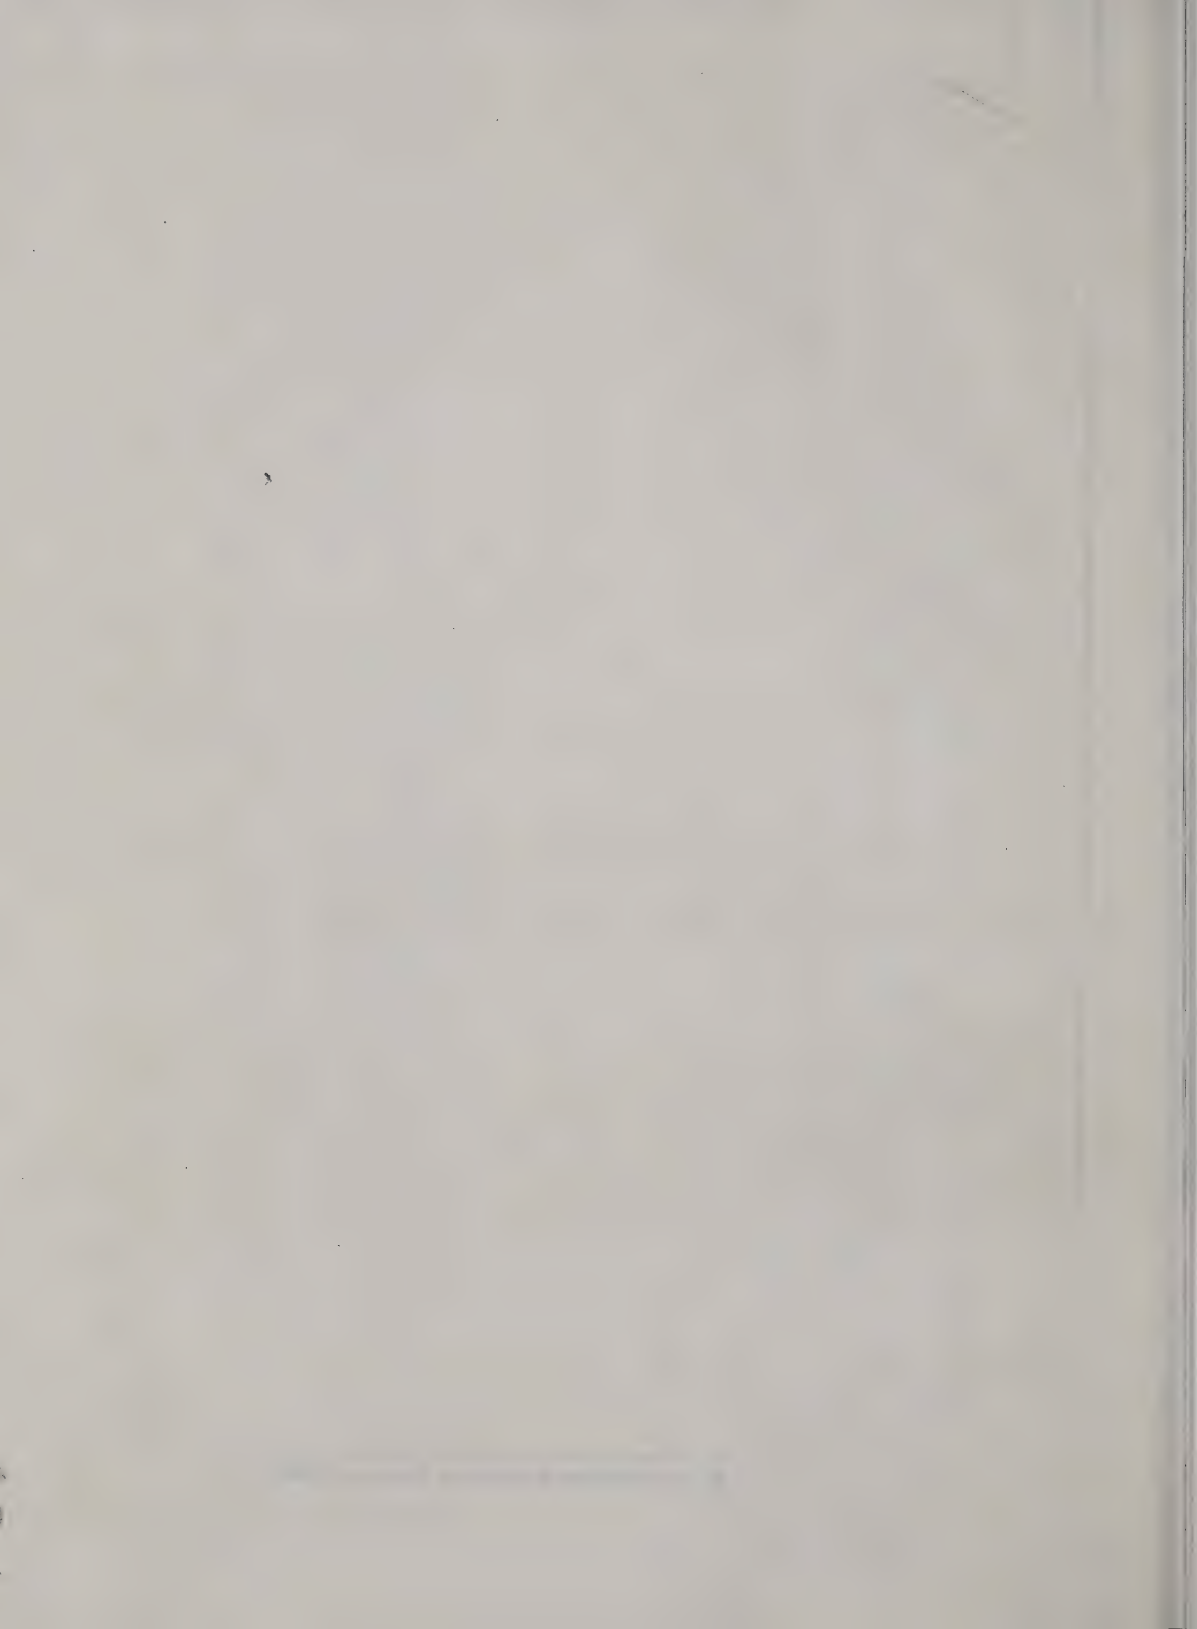

12. The twelfth part of the report deals with the list of figures of the work. It is divided into two main sections: the first section deals with the general list of figures of the work, and the second section deals with the specific list of figures of the work.

13. The thirteenth part of the report deals with the list of tables of the work. It is divided into two main sections: the first section deals with the general list of tables of the work, and the second section deals with the specific list of tables of the work.

14. The fourteenth part of the report deals with the list of maps of the work. It is divided into two main sections: the first section deals with the general list of maps of the work, and the second section deals with the specific list of maps of the work.

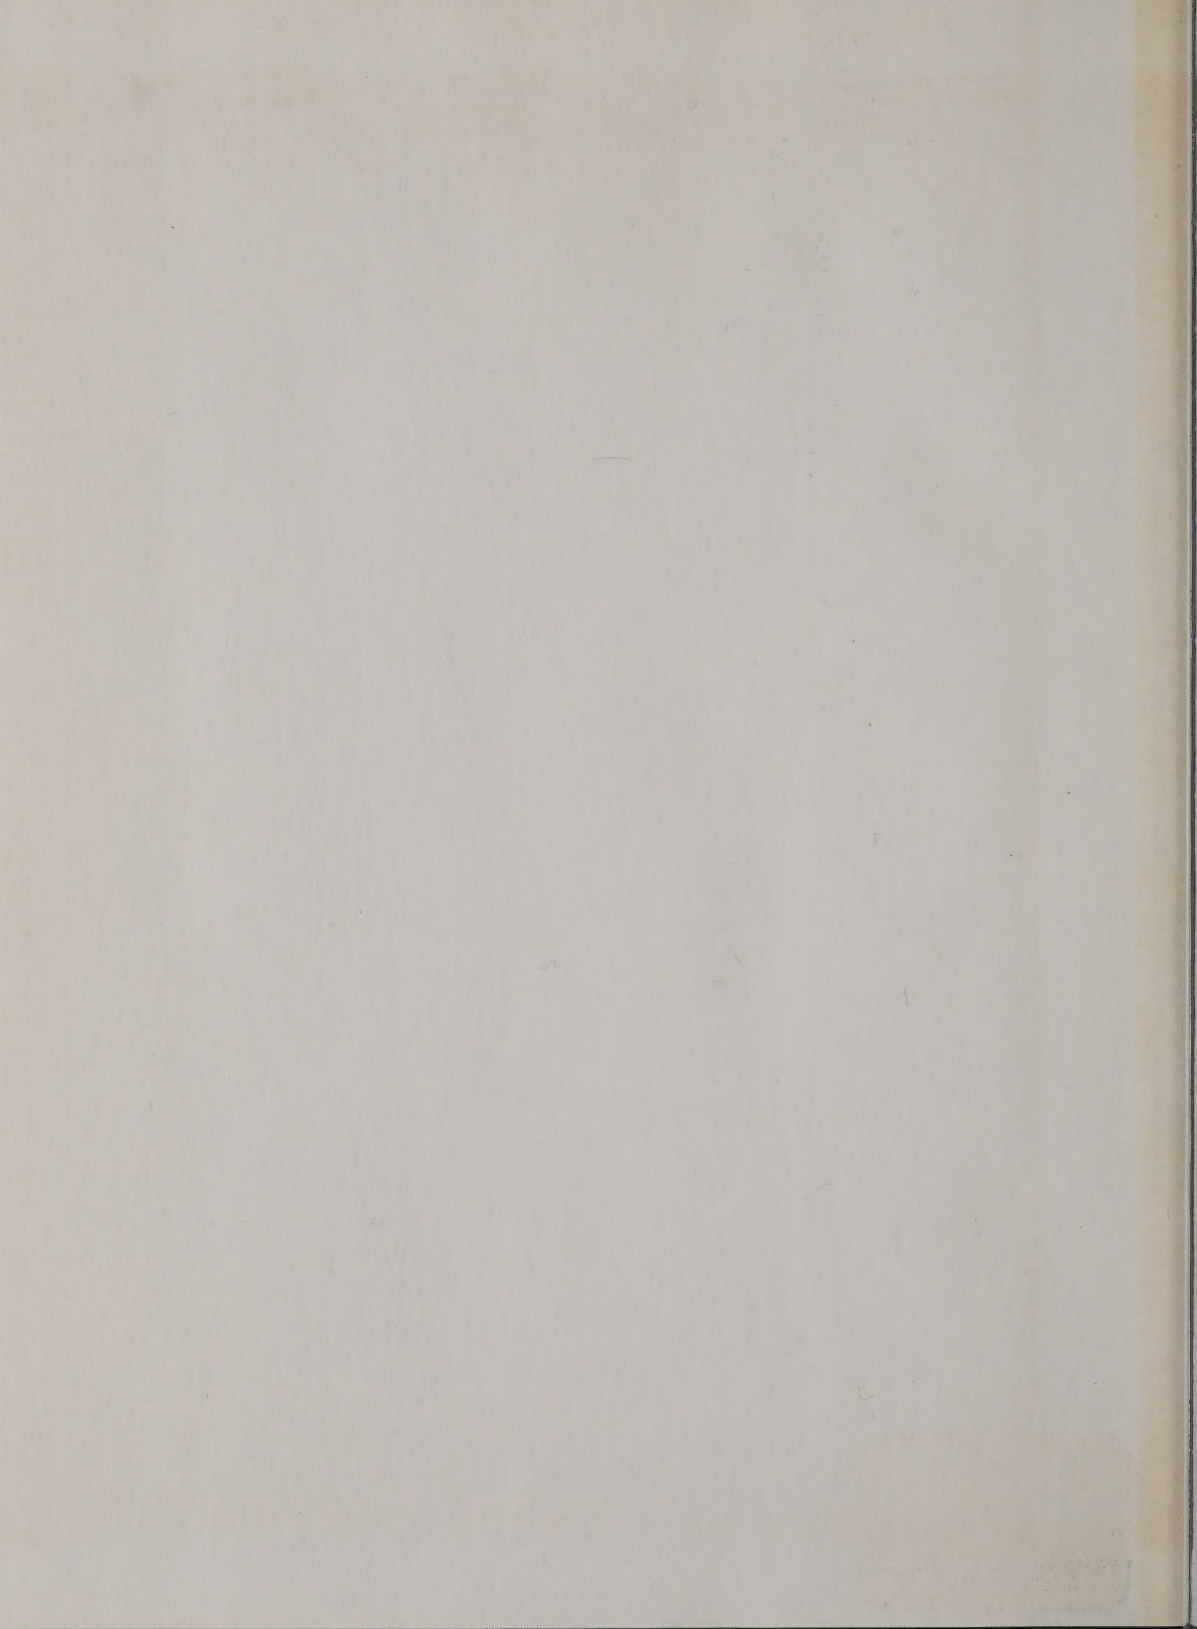

15. The fifteenth part of the report deals with the list of photographs of the work. It is divided into two main sections: the first section deals with the general list of photographs of the work, and the second section deals with the specific list of photographs of the work.
